

"A NEW CENTURY OF PROMISE"

MADISON COLLEGE CENTENNIAL TRIBUTE GARDENS

Join Madison College in paving the way to a new century of promise! The Madison College Centennial Tribute Gardens offer an opportunity to celebrate friends, family, colleagues and other special persons or groups while helping to complete the historic Truax Campus transformation.

The Centennial Tribute Gardens are being established in three locations at Truax: the Gateway Terrace/Ingenuity Center, the Health Education Plaza and the Protective Services Center. These locations have been designed to incorporate engraved pavers, trees, benches, tables and other amenities through which a closer college community of students, faculty, staff and campus visitors can be built.

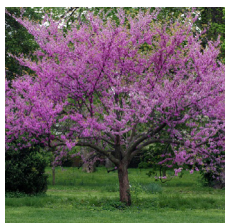

Whether you contribute individually or join a group of colleagues in making a larger contribution, the Centennial Tribute Gardens provide a wonderful opportunity to create a lasting memory in honor of a student group, family member, retiree or other important individuals in your life.

PAVERS—\$250

These 12" x 12" pavers will add life to the walkways and gathering spaces at all three locations. Each paver can be engraved with up to five easy-to-read lines of text—a great way to pay tribute to family, a graduating class, workgroup or company.

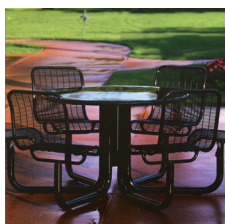

ORNAMENTAL, EVERGREEN & SHADE TREES

Ornamental, evergreen and shade trees will bring beauty and a finished look to the new buildings and tranquility to the overall campus experience. Ornamental trees are available for \$1,000, evergreen trees are available for \$1,300, and shade trees are available for \$1,500.

BENCHES—\$2,500

These beautiful six-foot benches have a bronze finish and are constructed of weather resistant aluminum for durability. The donor's dedication will be engraved on a plaque and affixed to the bench.

TABLES—\$3,000

Carousel tables will provide comfortable seating for students and others to gather for conversation, work or a little of both. Located at the Gateway and Health buildings, the donor's dedication will be engraved on a plaque and affixed to the table.

BUS SHELTERS—\$15,000

Growing numbers of students, employees and visitors are opting for public transportation. Two new shelter facilities will be located on Wright Street between the Gateway and Health buildings. The donor's dedication will be engraved on a plaque and affixed to the shelter.

TRIBUTE GARDENS BEAUTIFICATION FUND

Tax-deductible contributions in any amount can be made to the Madison College Centennial Tribute Gardens fund that will be used to improve the landscape with trees and other plantings, lighting, water fixtures and more.

GARDEN SITTING AREAS

Small garden areas including lighting and water features are available for dedication and can be designated to reflect the donor's intent. Contact the Foundation Office for details. Donor requests for specific locations will be considered according to availability.

BE A PART OF THE CENTENNIAL TRIBUTE GARDENS

Donations may be made in one payment or pledged over a period of one to several years. The addition of some dedicated elements, such as pavers, will be made to the garden on an annual basis, and larger features will be dedicated when at least one-half of the donor commitment has been received. Your tax-deductible gift may be made by check or credit card or through payroll deduction (checks should be made payable to the Madison College Foundation). Please complete the Centennial Tribute Gardens donor form and submit to the Madison College Foundation. Contact the Foundation with questions at (608)246-6441 or foundation@madisoncollege.edu.

TRIBUTE GARDEN ORDER FORM

Yes, I would like to join Madison College in paving the way to a new century of promise!
